

Sabeel's 9th International Conference Jerusalem Nov. 19-25, 2013

Celebrating
25

*Years of Palestinian
Liberation Theology:
Recognizing founders,
local organizations, and
international partners*

The Bible and the Palestine-Israel Conflict

Snapshot

-  Mapping the wars inside Syria: Who is fighting whom?
-  A visit to the Negev in solidarity with the Bedouins: 70,000 people are under threat of eviction and 35 villages will be destroyed through implementation of the Israeli Praver Plan for the Negev
-  Renewal of baptismal vows at the Jordan River
-  The present and future challenges for Christians in the New Middle East
-  Explaining the ideologies of different Islamic movements
-  "Jewish and Democratic": The impossible plan for Israel
-  War hawks and conscription: The militarization of Israeli society
-  Liberating the oppressed through art, dance, and theater

Plus a wide range of international speakers,
including theologians, political scientists,
and international law experts
