## Israel

Den europeiske kringkastingsunionen (EBU) har oversendt lederen for Israels kringkasting (KAN) en liste med standardkrav til arrangørland. I Israel har kravene utløst raseri. Ministeren for offentlig sikkerhet, Gilad Erdan, har oppfordret statsminister Netanyahu til å avslå. Han forstår ikke med hvilken rett EBU er frekk nok til å stille krav som bryter med lovgivningen i en demokratisk stat. [Haaretz](#) 4.9.18.

En leder i avisa [Haaretz 5.9.18](#) påpeker at selv det selvfølgelige har blitt kontroversielt i Israel av 2018, der de som våger å kritisere staten nektes adgang og israelske statsborgere stoppes ved grensa fordi de ikke er enige med regjeringa.
